The Red Moon Inn

The Red Moon Inn is a now an almost legendary institution in Übersreik. Formerly located on the Eastern Waterfront of the Docks, the original Red Moon Inn burned down under mysterious circumstances some years ago, but the establishment was re-opened later at a new location on Löwenstrasse.

The Red Moon Inn was always cleaner and more respectable than the other dockers' inns in the area, but with the opening of the new and improved version, they even got rid of the worst of the fish smell.

The owner is Franz Lohner, a man who people for some reason think twice about messing with.
